FIFTH ORDER OF BUSINESS

Public Hearing to Adopt the 2026 Budget

Mr. Flint: Item five is the public hearing to adopt the 2026 budget. is there a motion to open the hearing?

On MOTION by Mr. Morgan, seconded by Ms. Dudley, with all in favor, the Public Hearing was opened.

Mr. Flint: The public hearing is open. For the record, we don't have any members of the public here other than the Board and staff, so we'll bring it back to the Board for discussion.

A. Consideration of Resolution 2025-05 Adopting the Fiscal Year 2026 Budget and Relating to the Annual Appropriations

Mr. Flint: You have Resolution 2025-05. Exhibit A attached to that is the budget for next year. We do have an increase here, and that increase is related to some additional areas that were assigned to the CDD that were previously supposed to be HOA. When we presented the proposed budget to you we reflected that increase. We did a mailed notice to all the landowners. We don't have any here. We don't believe we received any phone calls, but the per unit assessment amounts are going up from \$1,271 to \$1,429 a year. The budget reflects the line items that are affected. They're primarily maintenance.

Mr. Morgan: I'll make a motion to approve the budget.

On MOTION by Mr. Morgan, seconded by Ms. Dudley, with all in favor, Resolution 2025-05 Adopting the Fiscal Year 2026 Budget and Relating to the Annual Appropriations, was approved.

B. Consideration of Resolution 2025-06 Imposing Special Assessments and Certifying and Assessment Roll

Mr. Flint: Part of the public hearings is the assessment resolution, Resolution 2025-06. This will include Exhibit A as the budget and Exhibit B is the assessment roll. The assessment roll reflects the increased assessment.

On MOTION by Mr. Morgan, seconded by Ms. Dudley, with all in favor, Resolution 2025-06 Imposing Special Assessments and Certifying and Assessment Roll was approved.

Mr. Flint: Is there a motion to close the public hearings?

On MOTION by Mr. Morgan, seconded by Ms. Dudley, with all in favor, the Public Hearing was approved closed.

SIXTH ORDER OF BUSINESS Consideration of Maintenance Agreements

A. Pond Maintenance Agreement with Applied Aquatic Management, Inc.

Mr. Flint: Item 6 is consideration of maintenance agreements, Alan?

Mr. Scheerer: The first one is with Applied Aquatic. It covers all the retention ponds in Phase 1 & Phase 2, and the dollar amounts have been accounted for in your budget.

B. Landscape Maintenance Agreements (2) with Frank Polly Sod Inc.

Mr. Scheerer: Frank Polly Sod, there are two agreements in there. One is for Phase 1, that agreement would start October 1, 2025, through September 30, 2026. The dollar amount for Phase 1 is also in the budget. There is one change in the Phase 2 agreement, which is going to be the start time. I'm being told that all of Phase 2 landscaping is ready now. This is originally supposed to go into effect October 1, 2025, but we would probably need to change that date to September 1, 2025, so it'll be 30 days earlier. That way we can get the landscaper paid for doing the job. I'm meeting with them either the end of this week or the first of next week to turn over the rest of the phases.

Ms. Dudley: They are finishing up that back pond.

Mr. Scheerer: That's probably why we're waiting to do the turnover.

Mr. Morgan: So, as far as the trees and plants and all the landscaping, we're all done? Irrigation is installed?

Mr. Scheerer: Yes irrigation is done, and all the hardscape, as far as I know.

Mr. Morgan: Pathways are completed?

Mr. Scheerer: Yeah, we're going to need to do a separate walk for the pathways.

Mr. Morgan: They were in rough shape last time I was out there.

Mr. Scheerer: Yeah, so this would just be the landscape only. Karly and I met and we walked a couple of different times in the earlier portions of Phase 2. We will have to walk the last two areas to make sure everything is good with drainage concerns.

Ms. Dudley: Yeah, right now we just hope to have sod down in the next two weeks. The drainage concerns have been brought up on DJ. Hopefully we'll get a resolution, and where they are supposed to pull up the areas that are holding drainage consistently, is flowing water consistently, so it's in progress.

Mr. Scheerer: Sounds good, all the numbers that are in these agreements are reflected in your budget.

Mr. Flint: Great, thank you.

On MOTION by Mr. Morgan, seconded by Ms. Dudley, with all in favor, the Maintenance Agreements with Applied Aquatic Management, Inc. and Frank Polly Sod, Inc. (2), were approved.

SEVENTH ORDER OF BUSINESS

Consideration of Proposal from TraceAir Technologies for Drone Flyovers

Mr. Flint: Item #7 is a proposal from TraceAir for drone flyovers.

Mr. Morgan: These people are dodgy. They want to keep flying it for whatever reason, but TraceAir will not sit down and talk to me about why the pricing varies so much from one job to job to the other. This is the highest that we're paying of all of them. Mark wants to know why we haven't had any recent flights, so let's go ahead and approve it.

Mr. Flint: There's no money in the construction fund.

Mr. Morgan: I thought we kept some in there for the flights.

Mr. Flint: There's \$5,288 left.

Mr. Morgan: Let's hold off on approving this. This is technically something that doesn't need full Board approval, does it?

Mr. Flint: It can be ratified. The Board could delegate authority to you.

Mr. Morgan: I want to negotiate for maybe two more flights and not a whole year contract. We don't need a whole year contract out there, and we don't have the money to pay for it anyway.

On MOTION by Mr. Morgan, seconded by Ms. Dudley, with all in favor, Authorizing the Chairman to Negotiate Contract with TraceAir Technologies subject to final staff signoff, was approved.

EIGHTH ORDER OF BUSINESS

Review and Acceptance of Fiscal Year 2024 Audit Report

Mr. Flint: Next is review and acceptance of the 2024 audit. The audit report is in your agenda. It's DiBartolomeo, McBee, Hartley & Barnes. The management letter is the last two pages. There are no findings or recommendations. It is a clean audit. If the Board has any questions, we can discuss those.

On MOTION by Mr. Morgan, seconded by Ms. Dudley, all in favor, Acceptance of Fiscal Year 2024 Audit Report, was approved.

NINTH ORDER OF BUSINESS

Ratification of Series 2024 Requisition #9

Mr. Flint: The next item is ratification of Series 2024 Requisition #9.

Mr. Flint: This is for \$5,163 for TraceAir signed by the Chair and the District Engineer. Are there any questions?

On MOTION by Mr. Morgan, seconded by Ms. Dudley, with all in favor, the Series 2024 Requisitions #9, was ratified.

TENTH ORDER OF BUSINESS

District Goals & Objectives

A. Adoption of Fiscal Year 2026 Goals and Objectives

Mr. Flint: Your Fiscal Year 2026 District Goals and Objectives are consistent with your current Goals and Objectives. Are there any questions on them?

On MOTION by Mr. Morgan, seconded by Ms. Dudley, with all in favor, the Fiscal Year 2026 Goals & Objectives, were Adopted.

B. Presentation of Fiscal Year 2025 Goals and Objectives and Authorization to the Chairman to Execute

Mr. Flint: Next is a motion to delegate authority to the Chair to execute the final report for the current year Goals and Objectives.

On MOTION by Mr. Morgan, seconded by Ms. Dudley, with all in favor, Accepting the Fiscal Year 2025 Goals and Objectives and Authorization to the Chairman to Execute, was approved.

ELEVENTH ORDER OF BUSINESS

Staff Reports

A. Attorney

Mr. Flint: Staff reports, attorney?

Ms. Trucco: We're working on finalizing the convenience of the tracks in Phase 2 that are planning to come to the CDD, but otherwise, there's no new business.

B. Engineer

i. Discussion of Pending Plat Conveyances

ii. Status of Permit Transfers

iii. Status of Construction Funds & Requisitions

Mr. Flint: Dave, are you on? Any reports for the Board?

Mr. Reid: The permit transfer Steve was discussing in the last Storey Creek meeting, the District is making us modify the permits before we can transfer working with the City to send me on that.

Mr. Flint: Okay.

Mr. Reid: I'll have that wrapped up by the next meeting.

Mr. Morgan: What modifications are we talking about?

Mr. Reid: They're going to maintain Golden Knight Blvd. but they were not on the original permit, so they have to be added before it can be transferred to them and the CDD. If the names aren't mentioned in the permit then you're putting somebody new on it, you have to modify the permit.

Mr. Morgan: That makes sense, okay.

C. District Manager's Report

i. Approval of Check Register

Mr. Flint: You have approval of the check register from May 6th through June 2nd for \$12,594. You have June 3rd through July 7th for \$14,973. You have a third check register from June 8th through August 4th for \$24,546.97. Are there any questions on the three?

Mr. Morgan: Were there no checks cut for Board compensation during that period, I don't see any.

Mr. Flint: I don't think we had meetings.

Mr. Morgan: You're right. We didn't have any meetings.

On MOTION by Mr. Morgan, seconded by Ms. Dudley, with all in favor, the Check Register, May 6, 2025, through June 2, 2025, for \$12,594, June 3, 2025, through July 7, 2025, for \$14,973, June 8, 2025, through August 4, 2025, for \$24,546.97, was approved.

ii. Balance Sheet and Income Statement

Mr. Flint: These were unaudited. If the Board has any questions, we can discuss those. Questions from the Board?

iii. Approval of Fiscal Year 2026 Meeting Schedule

Mr. Flint: The next item is approval of your meeting schedule for 2026. I believe we want to modify the starting time to 10:30 a.m. Any other changes to that? If not, is there a motion to approve the schedule with a 10:30 a.m. start time?

On MOTION by Mr. Morgan, seconded by Ms. Dudley, with all in favor, the Fiscal Year 2026 Meeting Schedule with a start time of 10:30 a.m., at the Oasis Club at ChampionsGate was approved.

Mr. Morgan: Going back to the previous agenda item, we didn't have any meetings to approve the initial budget and to set the hearing date?

Mr. Flint: The last meeting was May 19th.

Mr. Morgan: We did that way back in May?

Mr. Flint: I'll double check it.

D. Field Manager's Report

Mr. Scheerer: Just a couple of things. We went through and audited all the hardscape and Phase 2, put together a document, got the SOV's from you folks and sent it over to insurance so all the pergolas and assets over there that have been installed are now covered under insurance. That's good news and probably the bigger part of the news is the damaged fence on Golden Knight Blvd. we were finally able to get with somebody, a lady by the name of Luz Phillips with the City of Kissimmee. I sent her the interlocal agreement that I had. I sent her photos of the damaged fence on August 11th, she sent me an email confirming that the City will be repairing that section of fence that was damaged, and they hired a contractor and it'll be two to three weeks before materials are delivered.

Mr. Morgan: Did we ever figure out who wrecked it?

Mr. Scheerer: I have checked with FHP, Kissimmee Police Department, Osceola County Sheriff's Office. There's no traffic incident report filed with any of those agencies.

Mr. Morgan: I can't believe they didn't go in the ponds.

Mr. Scheerer: I'm shocked that there wasn't a vehicle or something on the other side of that retaining wall, but I thought that was great news.

Mr. Bonin: I talked to Kirkland, his camera that's angled at Phase 2 was angled so if you were leaving one or two you were captured, but apparently he moved it to the left like the week before this happened.

Mr. Morgan: Got it.

Mr. Scheerer: But anyway, good news, no funding out of the District's pocket.

Mr. Bonin: One other thing on acceptance. So we haven't fully accepted ponds and pathways correct?

Mr. Scheerer: Correct. We're doing just the landscape around the ponds and like I said, I've been working with Karly and I know that you guys were working on some of the repairs on the back where the sod was missing. We had some erosion issues and we're going to continue that into the last two. I think in Phase 2 and we're going to do a landscape walk with the landscaper for mowing and maintenance and then a hard another walk with Lennar, Karly, and her team to just make sure that all the pathways aren't holding water because we had gouging on the asphalt. We had pathways holding water, the water couldn't get out and we had some pond bank concerns with respect to that. We're going to identify those.

Mr. Bonin: Make a good list and whatever needs to be corrected by our site contractor.

Mr. Scheerer: Yes, Karly's been helping me out quite a bit. Her and I are walking that together so we will get that done.

TWELFTH ORDER OF BUSINESS

Other Business

Mr. Flint: Is there any other business or Supervisor requests?

THIRTEENTH ORDER OF BUSINESS

Supervisor's Requests

There being no comments, the next item followed.

FOURTEENTH ORDER OF BUSINESS

Adjournment

On MOTION by Mr. Morgan, seconded by Ms. Dudley, with all in favor, the meeting was adjourned.

Re: \$6,175,000 Knightsbridge Community Development District (City of Kissimmee, Florida),
Special Assessment Bonds, Series 2024 (2024 Project)

Dear Ms. Costa:

AMTEC is an independent consulting firm that specializes in arbitrage rebate calculations. We have the ability to complete rebate computations for the above-referenced Knightsbridge Community Development District (the “District”) Series 2024 (2024 Project) bond issue (the “Bonds”). We do not sell investments or seek an underwriting role. As a result of our specialization, we offer very competitive pricing for rebate computations. Our typical fee averages less than \$1,000 per year, per issue and includes up to five years of annual rebate liability reporting.

Firm History

AMTEC was incorporated in 1990 and maintains a prominent client base of colleges and universities, school districts, hospitals, cities, state agencies and small-town bond issuers throughout the United States. We currently compute rebate for more than 7,800 bond issues and have delivered thousands of rebate reports. The IRS has never challenged our findings.

Southeast Client Base

We provide arbitrage rebate services to over 500 bond issues aggregating more than \$15 billion of tax-exempt debt in the southeastern United States. We have recently performed computations for the Magnolia West, East Park, Palm Coast Park, Windward and Town Center at Palm Coast Park Community Development Districts. Additionally, we are exclusive rebate consultant to Broward County and the Town of Palm Beach in Florida. Nationally, we are rebate consultants for the City of Tulsa (OK), the City of Lubbock (TX) and the States of Connecticut, Montana, Mississippi, West Virginia, Vermont and Alaska.

We have prepared a Proposal for the computation of arbitrage for the District’s Bonds. We have established a "bond year end" of April 4th, based upon the anniversary of the closing date of the Bonds in April 2024.

Proposal

We are proposing rebate computation services based on the following:

- \$6,175,000 Series 2024 (2024 Project) Bonds
- Fixed Rate Debt
- Acquisition & Construction, Debt Service Reserve, Capitalized Interest, Cost of Issuance & Debt Service Accounts.

Should the Tax Agreement require rebate computations for any other accounts, computations will be extended to include those accounts at no additional cost to the District.

Our guaranteed fee for rebate computations for the Series 2024 (2024 Project) Bonds is \$450 per year and will encompass all activity from April 4, 2024, the date of the closing, through April 4, 2029 the end of the 5th Bond Year and initial Computation Date. The fee is based upon the size as well as the complexity. Our fee is payable upon your acceptance of our rebate reports, which will be delivered shortly after the report dates specified in the following table.

AMTEC's Professional Fee – \$6,175,000 Series 2024 (2024 Project) Bonds

Report Date	Type of Report	Period Covered	Fee
August 31, 2025	Rebate and Opinion	Closing – August 31, 2025	\$ 450
March 31, 2026	Rebate and Opinion	Closing – March 31, 2026	\$ 450
March 31, 2027	Rebate and Opinion	Closing – March 31, 2027	\$ 450
March 31, 2028	Rebate and Opinion	Closing – March 31, 2028	\$ 450
April 4, 2029	Rebate and Opinion	Closing – April 4, 2029	\$ 450

In order to begin, we are requesting copies of the following documentation:

1. Arbitrage Certificate or Tax Regulatory Agreement
2. IRS Form 8038-G
3. Closing Memorandum
4. US Bank statements for all accounts from April 4, 2024, the date of the closing, through each report date

AMTEC's Scope of Services

Our standard engagement includes the following services:

- Review of all bond documents and account statements for possible rebate exceptions;
- Computation of the rebate liability and/or the yield restricted amount, in accordance with Section 148 of the Internal Revenue Code, commencing with the date of the closing through required reporting date of the Bonds;
- Independent calculation of the yield on the Bonds to ensure the correct basis for any rebate liability. This effort provides the basis for our unqualified opinion;
- Reconciliation of the sources and uses of funds from the bond documentation;

- Calculation and analysis of the yield on all investments, subject to the Regulations, for each computation period;
- Production of rebate reports, indicating the above stated information, and the issuance of the AMTEC Opinion;
- Recommendations for proactive rebate management;
- Commingled funds, transferred proceeds and yield restriction analyses, if necessary;
- Preparation of IRS Form 8038-T and any accompanying documentation, should a rebate payment be required;
- We will discuss the results of our Reports with you, your auditors, and our continued support in the event of an IRS inquiry; and
- We guarantee the completeness and accuracy of our work.

The District agrees to furnish AMTEC with the required documentation necessary to fulfill its obligation under the scope of services. The District will make available staff knowledgeable about the bond transactions, investments and disbursements of bond proceeds.

The District agrees to pay AMTEC its fee after it has been satisfied that the scope of services, as outlined under the Proposal, has been fulfilled. AMTEC agrees that its fee is all-inclusive and that it will not charge the District for any expenses connected with this engagement.

The parties have executed this Agreement on September 15, 2025.

Knightsbridge Community Development District
Board of Supervisors

We are pleased to confirm our understanding of the services we are to provide Knightsbridge Community Development District, ("the District") for the fiscal year ended September 30, 2025 and with additional annual renewals. This letter serves to renew our agreement and establish the terms and fee for the 2025 audit.

Audit Scope and Objectives

We will audit the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information, and the disclosures, which collectively comprise the basic financial statements of the District as of and for the year ended September 30, 2025. Accounting standards generally accepted in the United States of America (GAAP) provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement the District's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement we will apply certain limited procedures to the District's RSI in accordance with auditing standards generally accepted in the United States of America (GAAS). These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient appropriate evidence to express an opinion or provide any assurance. The following RSI is required by GAAP and will be subjected to certain limited procedures, but will not be audited.

1. Management's Discussion and Analysis
2. Budgetary comparison schedule

The objectives of our audit are to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; issue an auditor's report that includes our opinion about whether your financial statements are fairly presented, in all material respects, in conformity with GAAP; and report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements

We will conduct our audit in accordance with GAAS and will include tests of your accounting records and other procedures we consider necessary to enable us to express such opinions. As part of an audit in accordance with GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that comes to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the government's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of receivables and certain assets and liabilities by correspondence with selected customers, creditors, and financial institutions. We will also request written representations from your attorneys as part of the engagement.

We may, from time to time and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

Our audit of the financial statements does not relieve you of your responsibilities.

Audit Procedures—Internal Control

We will obtain an understanding of the government and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards.

Audit Procedures—Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the District's compliance with the provisions of applicable laws, regulations, contracts, and agreements. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion.

Other Services

We will also prepare the financial statements of Knightsbridge Community Development District in conformity with accounting principles generally accepted in the United States of America based on information provided by you.

We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statement services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

You agree to assume all management responsibilities for the financial statement preparation services and any other nonattest services we provide; oversee the services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

Responsibilities of Management for the Financial Statements

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for designing, implementing, and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including monitoring ongoing activities; for the selection and application of accounting principles; and for the preparation and fair presentation of the financial statements in conformity with accounting principles generally accepted in the United States of America with the oversight of those charged with governance.

Management is responsible for making information available for the drafting of financial statements, all financial records, and related information available to us and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) additional information that we may request for the purpose of the audit; and (3) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will require certain written representations from you about the financial statements and related matters.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements of each opinion unit taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws and regulations.

You are responsible for the preparation of the supplementary information in conformity with accounting principles generally accepted in the United States of America (GAAP). You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon. Your responsibilities include acknowledging to us in the representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Engagement Administration, Fees, and Other

We understand that your employees will prepare all cash or other confirmations we request and will locate any documents selected by us for testing.

Subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to a cognizant or oversight agency or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of DiBartolomeo, McBee, Hartley & Barnes, P.A. personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies. Notwithstanding the foregoing, the parties acknowledge that various documents reviewed or produced during the conduct of the audit may be public records under Florida law.

We will complete the audit within prescribed statutory deadlines, with the understanding that your employees will provide information needed to perform the audit on a timely basis.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date. If we are aware that a federal awarding agency or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Jim Hartley is the engagement partner and is responsible for supervising the engagement and signing the report or authorizing another individual to sign it. Our fees for these services are not to exceed \$3,750 (\$3,000 plus \$750 for issuance of 2024 debt). The fee estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary or if additional Bonds are issued, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our report. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenditures through the date of termination.

Either party may unilaterally terminate this agreement, with or without cause, upon thirty (30) days written notice. Upon any termination of this Agreement, the District will pay all invoices for services rendered prior to the date of the notice of termination but subject to any offsets that the District may have. Pursuant to Section 218.391, Florida Statutes, all invoices for fees or other compensation must be submitted in sufficient detail to demonstrate compliance with the terms of this engagement.

We shall take all necessary steps to ensure that the audit is completed in a timely fashion so that the financial reports and audits may be approved by the District's Board of Supervisors within 180 days after the end of the fiscal year under review.

We agree and understand that Chapter 119, Florida Statutes, may be applicable to documents prepared in connection with the services provided hereunder and agree to cooperate with public record requests made there under. In connection with this Agreement, we agree to comply with all provisions of Florida's public records laws, including but not limited to Section 119.0701, Florida Statutes, the terms of which are incorporated herein. Among other requirements, we will:

- a. Keep and maintain public records required by the District to perform the service.
- b. Upon request from the District's custodian of public records, provide the District with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes or as otherwise provided by law.
- c. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the Agreement if the auditor does not transfer the records to the District.

- d. Upon completion of this Agreement, transfer, at no cost, to the District all public records in possession of the auditor or keep and maintain public records required by the District to perform the service. If the auditor transfers all public records to the District upon completion of this Agreement, the auditor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the auditor keeps and maintains public records upon completion of the Agreement, the auditor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the District, upon request from the District's custodian of public records, in a format that is compatible with the information technology systems of the District.

Reporting

We will issue a written report upon completion of our audit of Knightsbridge Community Development District's financial statements. Our report will be addressed to the Board of Supervisors of the District. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or withdraw from this engagement.

We appreciate the opportunity to be of service to Knightsbridge Community Development District and believe this letter accurately summarizes the significant terms of our engagement.
